Natural Skin Care

Interested in the natural approach to complexion beauty?

Here are some natural beauty tips, from great-grandmother's time and today.

Egg white makes an excellent facial mask, tightening pores and toning the skin. Beat the egg white slightly, apply generously, and relax for 20 to 30 minutes while it dries. Rinse away with water. Warmed *honey* also works well as a mask.

Merry Christmas

We rejoice in the sound of the words and the glory of the message: "— on earth peace, goodwill to men." But we do not always feel the meaning in our hearts and put it to work in our lives.

One who did was Henry Van Dyke, the late American clergyman, writer, and poet whose famous "Story of the Other Wise Man" has brought joy and inspiration to thousands of people over the years. Among his writings is a piece called "The Spirit of Christmas," and we think you'll like it as much as we did. We are happy to print it, from us to you:

"We are thinking of you today because it is Christmas . . . and tomorrow because it will be the day after, and so on through the year. We may not be able to tell you about it every day, but that makes no difference, the thought and the wish will be here just the same . . ."

"Because it is Christmas" — so many things follow. *"Because it is Christmas"* — the world stands still for a while, in reverent memory of the Christ child's birth. *"Because it is Christmas"* — we hope anew for peace on earth goodwill to men. *"Because it is Christmas"* — we resolve that the Spirit of Christmas will stay with us throughout the year.

Of course, the Spirit of Christmas should not be confined to a single day — nor is it. For all those who truly believe in "good will to men" honor it in their hearts and live it in their lives, every day of the year. They cherish the continuing warmth of friendship, the ever-new rebirth of the Babe who lived to teach us peace and love. And though friends may be far away or seldom met, that too "makes no difference" — the steady flow of hope and good will continues to bind together those who put their trust in the power of loving kindness, and in all that we mean by humanity.

Make It for a Party: Eat It Later

Doesn't the Marshmallow Wreath look good enough to eat? It really is!

Make a Marshmallow Gumdrop Wreath like our photo to use as a centerpiece on a holiday table. It would be very attractive encircling a big candle.

The base of the wreath is a large styrofoam ring, which you can buy at the dime store, or glue together from smaller pieces of foam (often used as packing material). Or substitute any porous material—foam rubber, leftover plasterboard, etc. Cut marshmallows in half with scissors, wiping scissors with damp cloth after each marshmallow is cut, to keep blades clean.

Cut off ½ the length of each toothpick and use the longer piece, inserting it into marshmallow. Place marshmallow on foam ring and push toothpick through marshmallow and into ring.

Leave about ¼ inch exposed. Now place small gumdrop on the exposed toothpick. Use red and green gumdrops for a gaily colorful effect.

Early Filers Get Refunds Faster, IRS Says

RICHMOND - Taxpayers who file their returns in January or early February can expect any refund due in four to five weeks or roughly half the time late fillers will have to wait, James P. Boyle, IRS District Director for Virginia, said.

In urging taxpayers to file early, Boyle said that individuals who delay filing until late March or April - the peak filing time - may have to wait for their refunds as long as 10 years.

Another advantage to filing early, according to the Virginia District Director, is avoidance of careless errors often made by last-minute filers who are rushed. These errors - which frequently involve incorrect arithmetic, use of the wrong tax table, or failure to sign the return - can further delay processing of the return as well as the refund check.

Boyle said that taxpayers should begin now to gather their records, such as receipts or cancelled checks, to substantiate itemized medical deductions, charitable contributions, and others. With records in order, Boyle added, the taxpayer can begin to fill out the tax return as soon as the tax package arrives by mail.

Know What "Wassail" Means?

This ancient word, familiar to us from song and story, comes from the Anglo-Saxon words "Wes hal" — which means "be whole," or in more modern terms, "Good Health." It was used as a toast, before lifting one's glass — and by extension came to mean a drinking song.

Put some jingle in Fidelity's 5% Christmas Club and have a good ole time.

Christmas is a good ole time. Relatives pop in full of cheer, the tree looks better than last year's, the kids are jumping up and down, the lights are brighter, and even Christmas shopping is fun because you know your heart will soar when that special person opens that special package. But if you're jingle-less, that good ole time might not be so good after all.

You can avoid a jingle-less Christmas simply by joining Fidelity's Christmas Club. You put a little jingle (or a little green) in weekly for fifty weeks, and we'll add five percent interest, on your paid up club, to your stocking ful. And next year, when Santa's sleigh bells ring, you'll be listening. With cash.
